Office Order

Director, ICAR-IIMR is pleased to allow the visit of School students to ICAR-Indian Institute of Maize Research, Ludhiana to study various research activities going on at the institute and to visit its Laboratories and Research Farm. This academic visit will be of immense beneficial to the school students in shaping up their career. The school authorities have to arrange for the transportation themselves. The interesting schools may contact Dr. Abhijit Kumar Das, Scientist, PBG of this institute.
