Dr. AK Das
Sr. Scientist & MS PME Cell

F.No. IIMR/Ldh/2022-23/1994/4
Date : 23.12.2022

Director, ICAR-IIMR is pleased to permit the visit of school students (25) to ICAR-Indian Institute of Maize Research, Pau Campus, Ludhiana under the SSR activity of SERB (EEQ/2020/000444) project. The students will be given exposure about the National Agricultural Research System (NARS) operating in the country and will also be made aware of different research activities going on in the institute. The school authorities have to arrange for the transportation themselves. The interesting school may contact Dr. AK Das, Senior Scientist, IIMR of the institute for the visit through email at das.myself@gmail.com. The selection of school will be on first come first serve basis.
